Strategic Policy & Technical Architect

Master of Public Administration professional leveraging sophisticated Python-driven analytical frameworks and enterprise-scale IT systems to engineer institutional modernization and high-impact legislative strategy for public interests.

Selected Strategic Impact

- **Fiscal Stewardship:** Developed a comprehensive **\$103M Budget Audit** pipeline utilizing Pandas and NumPy to assess fiscal health and mitigate revenue volatility.
 - **Legislative Defense:** Led a statewide campaign to secure and protect **\$60M in public funding** for critical behavioral health resources.
 - **Tech Transformation:** Engineered bespoke AI automation frameworks to optimize conversion funnels and modernize legacy operational standards.
 - **Complex Policy Analysis:** Executed a sophisticated multi-jurisdictional review of the Colorado River Basin crisis, applying the Bardach & Patashnik model across tribal and state stakeholders.
-

Professional Experience

Consultant | Policy & Digital Architecture Lead

California Association of Mental Health Peer-Run Organizations (CAMHPRO) | Apr 2024 – Present

- **Legislative Advocacy & Coalition Building:** Direct statewide legislative strategy and public affairs campaigns to advance mental health equity, managing stakeholder meetings and direct briefings with legislators to promote pro-mission policies and successfully defeat opposing bills.

- **Statutory Analysis & Capitol Testimony:** Authored the 2026 *Mental Health & Civil Liberties Review*, delivering real-time statutory analysis of 50+ bills and providing opposition testimony at the California State Capitol.
- **Digital Infrastructure & Web Development:** Modernized the organizational digital presence through comprehensive website coding and social media management, engineering technical pipelines to distribute high-stakes policy toolkits to 58 counties.
- **Advocacy Operations & Automated Outreach:** Architected automated grassroots letter-sending mechanisms, managed weekly Constant Contact email campaigns, and drove outreach management. Produced high-impact advocacy frameworks, including the "Handcuffs Aren't Housing" Toolkit, translating complex legislative intent into actionable localized strategies.

Enrollment & Outreach Specialist | Lead IT & AI Developer

Big Brothers Big Sisters of the Greater Sacramento Area | Jan 2026 – Present

- **AI Product Development & IT Governance:** Architected a custom Recruitment Optimization Engine using Replit and Python to automate the mentor enrollment funnel, resulting in measurably higher conversion outcomes. Function as the acting Head of IT, managing the end-to-end technical ecosystem, website coding, custom app creation, internal tech support, and cybersecurity protocols.
- **Strategic Innovation & Organizational Design:** Spearheaded new program implementations to drive organizational growth, including the conceptualization of the "Sports Bigs" model to lower volunteer commitment barriers. Engineered sustainable internal operational structures to ensure long-term programmatic continuity and efficiency.
- **Executive Advocacy & Stakeholder Management:** Directed high-level community outreach and partnership development, leading cross-functional stakeholder events and delivering executive presentations to board members at the District Attorney's office.
- **Talent Acquisition & Digital Media:** Managed the end-to-end recruitment pipeline, interviewing both prospective mentors and internal job candidates to build organizational capacity. Led in-house digital media initiatives, including video production, to elevate the organization's external profile and modernize the applicant journey.

Advocacy Coordinator (Contract) | Behavioral Health Policy Analyst

Cal Voices (ACCESS California) | August 2025 – Dec 2025

- **Regulatory Intelligence & Systemic Modernization:** Acted as a specialist focused on high-level regulatory assessments and the institutional engineering of the state's behavioral health infrastructure.

- **Technical Synthesis & Executive Briefings:** Evaluated intricate statutory frameworks to produce technical advocacy materials and provided strategic briefings to clinical experts regarding legislative volatility.

Technology Instructor | Digital Accessibility & Compliance Specialist

Cyber-Seniors: Connecting Generations | May 2025 – August 2025

- **Technical Training & Pedagogy:** Orchestrated the statewide implementation of digital literacy programs, engineering scalable instructional frameworks to bridge the generational technological divide.
- **Regulatory Compliance & Accessibility:** Executed rigorous technical audits to ensure cross-platform educational assets maintained strict adherence to federal WCAG standards and accessibility protocols.

Legal Assistant | Judicial Operations & Workflow Analyst

Superior Court of California, County of Kings | May 2024 – Apr 2025

- **Operational Analytics & Workflow Optimization:** Executed rigorous audits of judicial administrative frameworks to engineer systemic efficiencies and resolve throughput constraints for a **5,000+ litigant caseload**.
- **Statutory Research & Jurisprudential Synthesis:** Performed exhaustive technical evaluations of California Statutory Codes to provide judicial officers with sophisticated briefings on legislative intent and regulatory requirements.
